**** Four Star UVA Protection

- Maximum Sun Protection of skin after:
 - Laser hair removal
 - Chemical peels
 - Micro-dermabrasion
 - Dermarolling
 - with Chemical de-pigmenters
 - Protects against UVA (**** four star protection) & UVB rays.
 - Provides anti-oxidant protection.
- Excellent moisturizer
- Also contains skin protecting anti-oxidant vitamins.
- Absorbs very well and useful for all exposed skin.

The Science behind Sun Blockex[®] Max SPF 50

Sun Blockex® Max SPF 50

INGREDIENTS:

- **UVA & UVB filters 16%** - Butyl Methoxydibenzoylmethane, Octocrylene, Polysilicone-15 (Prevents skin darkening)
- **Physical Sun Filter 6%** - Zinc oxide & Titanium oxides
(Prevents skin darkening)
- **Vitamin E 1%** - Anti-oxidant & anti ageing
- **Niaciamide 3%** - Skin whitening (Stops Melanin transfer from Melanocytes to Keratinocytes)
- **Mag ascorbyl phosphate 2% (MAP)** -Vitamin C to lighten skin.

PharmaClinix®
Advanced Cosmeceuticals
